SUMMARY

Software Engineer with 7+ months of experience in modern web development and UI/UX design, skilled in JavaScript, TypeScript, and React. Passionate about transitioning into Project Management to lead cross-functional teams.

EXPERIENCES

Full-stack Intern

Jun 01, 2025 - Jul 18, 2025

CNPT, Da Nang, Vietnam | Team Size: 13 (1 Product Owner, 2 Fullstack, 5 Back-end, 3 Front-end, 1 Business Analyst, 1 QA Engineer)

- Developed a full-stack criminal investigation system using React, TypeScript, NestJS, MySQL, and Restful APIs, robust features for report and physical evidence management using React Query and Redux Toolkit.
- Collaborated across a 13-member Agile team to design databases, align with business analyst requirements, and ensure feature readiness and handoff for QA.

Project: Crime Investigation Management System in the US

Tech Stack: ReactJS, TypeScript, Redux Toolkit, React Query, Axios, NestJS, MySQL, RESTful APIs

Front-end Intern

Jan 2024 - May 2024

FPT Software, Ho Chi Minh City, Vietnam | Team Size: 17 (8 Front-end, 8 Back-end, 1 Product Owner)

- Led an 8-member Agile/Scrum team using Jira for efficient task planning and progress tracking; developed features for student management, scoring, and reservation.
- Built CI/CD pipeline by GitLab CI with lint, Vitest checks pre-merge to ensure code quality.
- Achieved 73% overall test coverage (statements/lines) with Vitest, and implemented Cypress for end-to-end testing.
- Served as class representative, driving team participation in company activities, and achieving multiple team accomplishments.

Project: Fresher Academy Management System

Tech Stack: ReactJS, Zustand, Vitest, Cypress, Ant Design, Sass, Axios

PROJECTS

Allure - E-Commerce Platform for Beauty Industry

Oct 2024 - May 2025

Front-End Developer, Mobile Developer | Team Size: 5 (3 Front-end, 2 Back-end)

- Implemented 40% front-end flows for product, cart, order, feedback, and consultant service features on web and mobile platforms using React, TypeScript, and React Native.
- Designed 90% of UI in Figma, created technical documentation, and reduced bugs by 15% through manual testing.

Portfolio: Allure Project

Tech Stack: ReactJS, React Native, Zustand, React Query, Shadcn, TailwindCSS

Hako – Retail Inventory & Sales Management App

Jun 13, 2025 - Present

Mobile Developer | Team Size: 2 (1 Front-end, 1 Back-end)

- Initiated the product concept and led MVP design, sprint planning, and backlog grooming for a cross-functional team using Agile Scrum, Jira, and GitHub.
- Developed and tested core modules including product management, sales transactions, order tracking, and customer handling using Expo React Native, with support for Firebase Authentication and light/dark theme.

Portfolio: [Hako Project](#)

Tech Stack: React Native (Expo), Async Storage, Zustand, TailwindCSS, Nativewind, Firebase Authentication

Artzy - Art Tool Explorer App

May 10, 2025 - May 17, 2025

Mobile Developer | Solo project

- Artzy is a mobile app built with Expo React Native, Tailwind CSS, and TypeScript for exploring and managing art tools. It includes filtering, search, and local favorites with offline access using Async Storage.

Portfolio: [Artzy Project](#)

Tech Stack: React Native (Expo), Async Storage, TailwindCSS, Nativewind

SKILLS

Programming Languages: JavaScript, TypeScript

Frameworks & Libraries: ReactJS, Next.js, React Native, Tailwind CSS, Bootstrap, Ant Design, ShadCN UI, Sass, NestJS

APIs: RESTful APIs

Databases: PostgreSQL, MySQL, SQL Server

Tools & Methodologies: Git, Figma, Vitest, Cypress, Jira, Trello

Software Principles & Methodologies: OOP, Design Patterns, SOLID Principles, Agile, Scrum

Languages: Vietnamese (Native), English (Intermediate), Chinese (Conversational)

EDUCATION

FPT University | Bachelor of Software Engineering

Oct 2021 - Aug 2025

- Partial scholarship recipient
 - GPA: 3.2/4.0
-

CERTIFICATIONS

- Web Design for Everybody: Basics of Web Development & Coding
- User Experience Research and Design
- Software Development Lifecycle
- Business Analysis Foundations
- Project Management Principles and Practices
